Tom, I am happy to go over this with you and explain the nuances of the regional delegation. We really need to delegation in front of us to do that. Many of these issues are vestiges of the history of the program which we were trying to fix when we working on the national MOA. Hopefully that will happen this year.

To answer your questions:

Ex. 5 Attorney Client (AC)

We tried to clean all this up in the new National Delegation.

When your heads stops spinning, give me a call.

Phil

Subject: RE: Signature Delegations

Attached are documents for our discussion on Monday about delegations of authority that affect the WPD. The purpose of our discussion is to tee up decisions for the division regarding these delegations.

The division administers authorities under the CWA, the SDWA, and the MPRSA. I have attached a decision outline for the delegations associated with each statute. The decision outline describes each delegation where the division could recommend the RA make a substantive revision to the delegation.

There are 2 additional documents related to three delegations for CWA authorities that are shared by the WPD and the RCRA Division (OPA authorities). One document is an email that I sent following our discussion in March 2017 about the three delegations which sets out the decisions reached in our discussion. I've also attached the attachment to that March email; the attachment has more detail on the three delegations.

Carol Baschon called and asked for a chance to discuss with the WET the signature delegations clean-up that she's been working on and trying to finish. This is a follow-up to a meeting on this topic she had with us many moons ago. . . We should be receiving materials from her before this scheduled meeting.

Note this will be during the last 30 minutes of our Monday WPD Managers Meeting on the 26th – she'll be available to start any time after 2:00 if we finish our WPD Managers Meeting before 2:30.

Any questions, please let me know. Thanks!
